

A Guide to Manage Your Booking

Passengers can manage their bookings online using the 'Manage Booking' link on our homepage. This link will redirect you to our ITM Booking System where you can add travel to your pass ticket, change your travel date, point of origin or destination, and have your ticket emailed or printed.

Register as a new user

If you do not already have an online account to manage your booking, then you will need to register as a new user first and following the prompts.

Your username will need to be the same email address that has been recorded in your booking in order for your ticket to be matched to your account for display.

If you experience any issues with this at all, then please contact us by email reservations@premierms.com.au or phone 13 34 10 and one of our staff can register a login on your behalf.

A screenshot of the Premier Motor Service login and registration page. At the top left is the Premier Motor Service logo. To its right are two buttons: Register and Log in. Below the logo and buttons is the heading "Log in." followed by the instruction "Enter your credentials below." There are two input fields: one for Email and one for Password. Below the Password field is a Log in button. At the bottom left, there is a red rectangular box containing the text "Register as a new user" and a link "Forgotten your password?"

Log in using your email address and password

Once you have registered as a new user, log in with your email address and password.

Register Log in

Log in.

Enter your credentials below.
